### Presidents Message

By Ralph Richards

Fall is fast approaching and cooler flying weather will provide an opportunity for a fly out. Let's put one together at our meeting on Thursday. I am asking each one of you for your help with our meetings. If you have a project to share or something you could speak about, safety or a tip on building a project please let me know. My plate is suddenly way to full, so would appreciate your help. My number is 226-9364. See you Thursday

## **Editors Message**

A few of us fly out to Modesto for the EAA Breakfast at Modesto. This is a full breakfast and hundreds show up. Food includes pancakes, bacon, biscuits and gravy, eggs, fruit, coffee, juice and more. We joined the table with fellow EAA Chapter VAA #29 from Hayward CA, a great group of people.

## **Chapter 465 Minutes – Last Meeting**

#### **Paso Robles Airport Business Plan UPDATE**

The PRAA won a huge battle in the relocation of the Fuel Depot. Originally, airport coordinator Roger Oxborrow presented the plan as completed with the above ground fuel depot to be relocated in the corner between the terminal and the Kyoto building. The PRAA strongly disagreed and asked for other locations that had been considered. Working with the Paso Robles Jet Center and the Advisory Committee, options were presented that took 1) Safety, 2) Location, 3) Ease of Use, and 4) Cost into consideration. Doug Monn did a fantastic job of managing input from all parties, presenting the pros/cons of 4 locations, and asking for input on the most optimal location. That location is just south of the old Gas House.

Thanks to Doug Monn and City Staff for managing an open process that resulted in the best location.
