Meeting on **Wednesday July 8 @7pm**
At Airport Terminal Upstairs

President's Message

by Dave Fretwell

We have several key decisions to make so please make every effort to attend the upcoming meeting.

Chapter Bylaws: We will be presenting updates to the 2000 Chapter by-laws and need a quorum of 80% members to get this done. The recommended updates are on the website at:

<http://eaa465.org/ByLaws%20Update.pdf>. If you cannot attend the meeting in person please send the Chapter Secretary, Dale Ramey, an electronic mail message mdramey360@yahoo.com giving him your proxy vote to approve or disapprove the recommended changes. You can see a full copy of the existing 2000 bylaws in the chapter website www.eaa465.org

Upcoming Activities: we need to make some decisions about Chapter involvement in: (a) a proposed June 2016 Airport Appreciation Day, (b) a possible visit of the B17, (c) priorities for future technical presentations at Chapter meetings, and (d) the sponsorship of a May 2016 West Coast Lancair fly-in which can build on our experience

with the national Mooney Summit Fly-in which was very successful.

We also want to hear from Chapter members on what they are building and/or restoring, in addition to the Chapter Taylorcraft project. And, if members so desire, we can discuss progress on the City Airport Improvement Plan as several chapter members are on the Airport Advisory Committee.

Hope to see everyone on July 8 at the Airport

Dave Fretwell

Chapter President

PS: check out the following pages for highlights on the development of composite electric powered airplanes in Europe- which are headed for the US market.

Chapter 465 Minutes – June 10

Meeting Called to Order – at 7:05 PM by President David Fretwell

Attendance – 21 members, including new 3 Young Eagle Members. Self-introductions were made.

Minutes - Minutes of the May meeting was approved as submitted; Motion to approve by Joel Marketello, seconded by Pete Johnson and approved by members.

Treasures Report – Bank Balance as of June 10, 2015 is \$1,002.90. Two checks were written at the meeting for Young Eagle Flight support materials.

Amended Schedule of Events – David Fretwell discussed the schedule of chapter events. The schedule will be updated as necessary and can be viewed in the chapter website.

Upcoming Events

- a Estrella Warbird Event – May not happen due to lack of funding.
- b PRAA Fly Out - July 11, 2015 to New Cuyama (L88). The Buckhorn restaurant has reopened.
- c Mooney Event – The fly in is occurring this coming weekend. Forty planes have signed up. Sixteen Vintage Cars are participating with transportation. Activity begins Friday at noon.
- d AOPA Event – David Fretwell gave a brief overview of the Salinas event. He asked if the membership wished to participate in the event if it was hosted by the City of Paso Robles or

some other organization. A motion was made by Steve Allen and seconded by Ralph Herman for looking into the chapter participation if held locally.

- e Chapter By-Laws – The chapter by-laws need to be reviewed and updated as necessary. Ralph Herman stated that he had the file containing information generated with the last up which occurred around 2000.

Young Eagle Event

Pete Johnson reviewed the event with the attending members. There were 7 planes and pilots that flew 105 Young Eagles. All of the girls and boys that came to the airport were given rides. No kids were left behind. There were a few problems with staging. The issues will be corrected with our next event.

San Luis Obispo Chapter 170 is having a Young Eagles event on October 17th.

Taylor Craft Rebuild

The chapter meeting was held at Bill Siegel's shop. Jonnie Via's Taylor Craft project was there. Joel Marketello presented the steps needed to restoring the aircraft. After completion, an hour of flight time will be given for each hour of restoration work. A log book will be kept at the shop to record participant's time. Bill stated the shop will be open most of the time but to confirm he can be called at 305-962-4027.

Meeting Adjourned – 8:28

Editor's Message

The Mooney Summit took place on June 12-14 with 44 Mooneys in attendance and almost 100 people. The weekend kicked off with a Wine Tour of Pear Valley, La Vigne and J Lohr. Forty people joined the tour and got chauffeured in Classic Cars thanks to Darrell Radford & Dave Fretwell of EAA Chapter 465. On Friday evening, there was a Wine

<http://www.flyingmag.com/aircraft/airbus-putting-e-fan-production>

& Food Reception at the Estrella Warbird Museum.

Saturday was the main event. Mooney International came with the President & CEO Dr. Jerry Chen, COO Tom Bowen and Chief Engineer Ron Blum. Dr Chen gave the Keynote address. More than a dozen technical seminars were provided. Seminars included: Maintenance & Modifications, Flying with Angle of Attack Indicators, Precision Flying & Landing in Mooneys, Practical Solutions for Mooney Owners. There were also seminars for the co-pilots including a Flying Companion Seminar which taught the passengers how to land in an emergency. There was also a seminar on Mooney Destinations in the West which highlighted places to fly to.

Over lunch, Captain Dave Koss, Commodore of the USN Pacific Strike Fighter Wing gave an amazing presentation on the mission of Lemoore NAS and the F-18 Hornet. His presentation may have been the highlight of the weekend as Captain Koss gave a spirited and informative "insiders view" of Lemoore and his command.

Saturday evening found the attendees at EOS Winery for a wine dinner catered by Lou LaGuardia who did an outstanding job.

Sunday morning, many of the attendees met for Brunch at Hunter Ranch Grill.

More than 75 of the attendees had never been to Paso Robles. This was an exciting event for both the City and Airport of Paso Robles. And serves as a template for hosting other Aircraft Fly-Ins.

Special Thanks to the **Estrella Warbirds Museum**, especially Rick Brandt, Scott Stelze and Mike Levine who were unbelievably supportive of the entire event. A special thanks to **ACIJET** for sponsoring a part of the event and for the exceptional line service that was noted by all attendees! THANK YOU

I would like to especially give a HUGE THANK YOU to the members of EAA Chapter 465 for their amazing support of this event. Chapter 465 epitomizes "teamwork" at the Airport. Dave Fretwell & Darrell Radford got us a dozen classic cars for the Wine Tour. Dale Ramey, Joel

Marketello and Jerry Burns sat in the hot sun parking and greeting arriving Mooneys. One Mooney landed too late to join the Wine Tour so Joel drove him over to Pear Valley Winery so he could do so. A sincere THANK YOU to everyone who helped us deliver this event. It was hard, but your volunteering was of immense support.
